CALIFORNIACOLLEGES.EDU OPT-OUT FORM

[CaliforniaColleges.edu](https://californiacolleges.edu) college and career readiness web-based platform is a component of the state's initiative to help students and their families plan for, apply to, and pay for college. It also helps streamline the college and financial aid application process and monitor the status of college and financial aid applications. This platform is most beneficial when a student's transcript data, such as demographics, class courses, grades and GPA, are uploaded into the statewide system (in accordance with all state and federal student privacy laws).

If you wish to opt yourself or your pupil out of the sharing transcript data as described above, please complete this form and return it to your high school's counseling office by March 3, 2023. Opting out will remove your student's access to [CaliforniaColleges.edu's](https://californiacolleges.edu) transcript-informed functionality and application integration.
